Dear Harry:

I have just received a letter from Pearson in which he said he had talked to you and you expressed a desire to play in Newark this coming season. He also said you did not belong to any team. If this information is correct write me at once, and we will begin our discussion about you coming to The Eagles.

Since the league voted to lift the ban on the players, I have begun taking steps to try and get in touch with the men I lost, but Dandridge and Wells have already gone to Mexico. It is a question whether or not they will be able to return by May 1st. I have just learned Stone has gone also. In view of all these men leaving I am sure I will be able to use some others. I certainly do want to start the season with a good club.

I will be expecting to hear from you by return mail if you want to play with us.

Very Truly Yours
